PERSONAL PROFILE

I am a passionate and dedicated Computer Science student with a strong foundation in software development. Currently working on diverse projects including an Amazon clone, Myntra clone, a to-do app, a simple calculator, and a cricket game and etc. Demonstrates a commitment to excellence through hard work and continuous learning. I am seeking an internship at an IT Company to apply technical skills and contribute to innovative projects within a dynamic team environment.

SKILLS

- Python
- C
- Java
- HTML & CSS
- Java Script
- Django

EDUCATION

B.Tech

Dr. Sudhir Chandra Sur Institute of Technology And Sports Complex

Jul 2026

- Currently in 5th Semester
- GPA: 7.8025(SGPA of four Semester)

Higher Secondary Education

Depal Baneswar Charubala Vidyamandir

Apr 2022

Marks - 87%

Secondary Education

Mandar High School

Feb 2020

Marks - 77.14%

PROJECTS

- **E-commerce Sites (Amazon Clone, Myntra Clone):** Built fully dynamic clones of Amazon and Myntra using HTML, CSS, and JavaScript. These projects replicate the essential features of e-commerce platforms, providing interactive interfaces for a realistic user experience
- **Cricket Game:** Developed a cricket game using HTML, CSS, and JavaScript, offering basic gameplay mechanics to simulate cricket interactions in a web environment
- **To-do App:** Created a to-do app using HTML, CSS, and JavaScript, allowing users to add, edit, and delete tasks for effective task management
- **Calculator:** Designed a simple calculator with HTML, CSS, and JavaScript, enabling basic arithmetic operations, with a user-friendly interface
